"Haters Hate...*but God*"

1 Samuel 23:14-18

I want to help you today to view the circumstances of your life correctly; I'd like to clear up your spiritual vision. This week and next, we will examine the lives of two well-known characters in Scripture who were attacked by people close to them, *but God* changed the outcome. Their evil hatred couldn't stop the great plans that a good God had set in motion. Today, a five-verse pericope gives rich principles that clear up our vision.

I. Bad Things Happen to Good People (vv. 14-18)

II. Bad People Can't Stop a Good God (v. 14)

III. A Good God Doesn't Negate Good Sense (v. 15)

IV. Bad Times Call for Good Friends (vv. 16-18)
